

Wildlife Images Outreach

Have you ever wondered what goes on behind the scenes at Wildlife Images' animal clinic?

We are pleased to offer an exclusive outreach opportunity from January through February to get a sneak peek of our efforts and meet some amazing wildlife educational ambassadors up close and personally!

Reserve your date for Wildlife Images to come to you and learn how you can become part of the "Saving Wildlife" family! Attendees can take advantage of discounts on our annual memberships during the program.

Our memberships are WILD! They include unlimited access to daily tours, special discounts, exclusive member access and activities and more for a full year! We offer a range of membership options, including senior and family. Wildlife Images is a non-profit organization that receives no state or federal funding; we are entirely dependent on community support. Proceeds from our annual memberships are one of our main sources of funding to continue our mission!

Dates are limited, bookings are first come first serve. Costs range from \$100 - \$200 depending upon location. These fun and informative programs run approximately 45 minutes.
